

Phang Nga Cornerstone Center is nestled in the heart of the Thai countryside, just 45 minutes from Phuket International Airport. We are located outside of the hustle-and-bustle of the city, yet close to all the attractions and amenities.

You can pamper yourself with a Thai massage or take a dip in the warm waters of the Andaman Sea. Looking for more adventure? Then trek through the jungle on an elephant or white water raft down a raging river. All of these activities are in close proximity to the property.

At Phang Nga Cornerstone Center we offer a pair of guesthouses each with two individual studio units. These air-conditioned rooms are equipped with two single beds, complimentary wireless access, a refrigerator and private bathroom.

Stroll through the grounds and you will find your own private oasis under the shade of a coconut tree or on a seat by the serenity fountain.

We invite you to enjoy Thailand as our guest and a member of our Christian family.

Phang Nga Cornerstone Center allows you the opportunity to be a steward of Christ's compassion through various ministry programs.

English classes and English camps provide you with a chance to teach English to youth and adults in the community. This serves as a tool to build relationships with them and

opens the door to introducing the gospel. You do not need any teaching experience to take part in this ministry. All you need is a little patience and creativity with a sincere heart.

Another outreach option involves witnessing to the general public. You can perform skits with a biblical theme in parks or schools as a fun way to spread the gospel.

Sports enthusiasts can coordinate sports camps or join pickup games in public parks as a way to start friendships. Enthusiasm, energy and a joyful spirit are effective ways to communicate Christ's love without words.

You can also pack up your tool belt and put on your work gloves and assist with improvement projects around the property.

Whether doing construction or landscaping, your help is always welcomed as we maintain and expand our physical presence in the region.

PHANG NGA CHURCH

The church was started in 2000 by a Thai family, assisted by members from YWAM and Calvary Chapel from the United States. The Phang Nga Church was funded by an overseas organization until it became independent after the 2004 Southeast Asia tsunami.

The church purchased the land for the Phang Nga Cornerstone Center in 2006 with a vision of establishing a Christian foothold in the area. The church continues to build relationships in the community in order to draw others to Christ.
