Church planting in southern Thailand

October 2007

His mercy falls like the sweet spring rain!

It has rained every day this whole month. Daily, God has been pouring His mercy on us like the rain that has been falling. We feel so blessed to serve the Lord together here in Phang Nga as our ministries have been growing and expanding.

Miracle Kids Return

After the tsunami, this Miracle Kids (children's ministry) was put on hold. Now, this ministry is up and running again! On October 23 –25, we held The Miracle Kids Camp at our Community Center in Bangklee(CMC). Sixteen kids joined us for this camp with a theme of "Who Am I In Christ?". Some of them were believers and others weren't. We were greatly encouraged when one of the girls accepted Christ as her Savior. We are excited to continue this ministry and are so glad we could help grow these children up in God.

Outreach Team

We had a Hope Chapel North Shore team from Maui, Hawaii come to help us do outreach ministries at the hospital, Nairai School and CMC. We still need outreach teams to come and

help us with our ministries. **Please contact us if you are interested in bringing a team over to help us. Thank you!**

The Community Center

We have a contractor who is helping us to fix the roof for the coffee shop. Hopefully, the roof will be finished soon and we can move on to the next phase of construction. Praise God!

Coming up..... English Classes

We will be starting our English classes at Phang nga Church this November. There will be an adult class and a high school class. We have been advertising the class this month. Please pray that interested students will sign up to study with us. We are in need of English Language teachers. Please let us know if you or someone you know is interested in teaching English here.
