Welcome To
Phang nga Church
Church planting in
Southern Thailand

THE KINGDOM OF GOD IS EXPANDING!

Praise the Lord! Four local schools have allowed us to start English Club and two of the schools have given us permission to share the Gospel. This is a great opportunity to build relationships with the kids and teenagers.

Language Outreach

After building relationships with local schools for several years, we will finally start English clubs at four schools next semester. These schools include three primary schools (Anuban Phang nga, Loompinee and Ban Nairai) and a high school (Stree Phangnga). We are presently developing the curriculum for these language clubs. Students from three English language classes have completed the first level and two classes are still going through the first course. New students continue to come and have many old students who are still studying with us. We have been so blessed through this ministry. Please keep us in your prayers. If you or anyone you know is interested in teaching English in Thailand, please contact us. We are in need of an English teacher with a heart for Thai youth.

Cornerstone Community Center

The Kalaheo Missionary Church work team just left and we are working hard to complete the building. Peter is trying to finish the electric work and our staff is working on the rooms. Hired workers are completing the roof and concrete work and laying tile. We have finished about 70% of the building. Please continue to pray for us.

Outreach Team A Canadian Team will be with us in March followed by teams from the big Island in June and July. We look forward to serving God with these teams and appreciate your prayers for them.

Thank you to all of you who have been a part of God's work in Phangnga. We are so grateful for you!
