CHURCH PLANTING IN SOUTHERN THAILAND

APRIL 2008

*A true friend is a gift of God ... and only He who made hearts can unite them.*

It's such a blessing seeing this green land bearing fruit, not just mangosteens and watermelon but the love of God for others too.

## Cornerstone Community Center

Welcome to CCC!

Our first update concerns our curb appeal! The Canadian Team helped us spruce up the area in front of the community center with rocks. This has eliminated flooding in that area. We are grateful for their hard work. Matt and Peter are also working on plans for an outdoor restroom.
