Cornerstone

Community Center

Praise God for the Kalaheo Missionary Church outreach team of Uncle Sonny & Aunty Ruth Taba, Grandma Tomi Taba, Shannon Burkman, Sylvia & Erin Koshi and Greg Matsuo. They helped us finish the outdoor bathroom and prepare for future English language courses. Our staff had a great time with them and were especially thankful for Grandma Tomi, 92 years old, who taught us to bake her famous pies, cookies and pastries. She also gave her testimony at Phang Nga Church.

All we can say is "Thank You" for your hearts for the Thai people in this small town of Phang Nga.

*With Aloha,
PNC Staffs*

Reaching Out To Serve

The Kona Team, comprised of three churches from the Kona area on the Big Island (Mokuaikaua Church, South Kona Assembly of God Church and Imiola Church), rained down showers of blessing on our staff and the Thai people. They helped us in our English Evangelism Ministry and with our property landscaping. With their friendly personalities, they helped so much as we continue to cultivate relationships with and minister to Thai kids, students and prisoners.
