MONTHLY NEWSLETTER FROM PHANG NGA CHURCH SOUTHERN, THAILAND

Growing in the word
And Reaching out to serve

“ LET US NOT LOVE WITH WORDS OR TONGUE BUT WITH ACTIONS AND IN TRUTH”.

FROM STAFFS' HEARTS

Thank God for all of you: The Canadian Team, Kauai Outreach Team, Kona Team, Orlando DTS Team and ATW Denver DTS Team. We have witnessed a lot of progress and change in God's work here in Phang Nga over the last seven months. We have personally experienced a lot of growth by learning to love and serve others and have felt so loved by God through your lives. We are also thankful for all of the team members who have been a part of our ministry here since our church first started. We welcome you to serve the Lord again with us in the future.

Store up all that you have experienced and learned during your outreach here and be a light in this world. Please keep in touch and drop us a line. We miss you and really want you to know that we love you.

CCC has Changed to PCC

Because another Thai Christian Organization is already named CCC, we have to change our church property name in Bangklee. The new name is "Phang Nga Cornerstone Center" or PCC.

The outdoor restroom is about 85% finished. Praise God! We continue to do maintenance landscape work...the grass grows so fast. We miss you (ha ha just kidding!). We are planning to build another fence because the old one is falling due to termite infestation.

The Church Building

Please pray that we'll be able to own the church building in Phang Nga Town. Currently, our church building is being used for services and English classes. We would also like to continue our outreach ministries to schools, prisons and markets here in Phang Nga town, but rent is very

expensive. Please pray that the owner will sell the building to us for a good price and that we'll have the funds to buy the property. Thank you.

English classes at the church and three local schools are still up and running. Please keep this ministry in your prayers. Also, please pray specifically for six students to know and receive God's love personally in their lives.
