

PNC NEWS

Growing in the word and reaching out to serve.

Welcome Our New Pastor!

Let's welcome Kawta, our new Pastor of Phang Nga Church, who will partner with Pastor Benz. She will focus on discipling and growing up church members spiritually. Kawta has a heart for following up on believers as she has been doing that for many years.

COMING UP...

PNC Family Camp

We are planning our church's first 3 day family camp in the middle of October where we hope to encourage and promote fellowship and learn to serve each other as a family in Christ so we can more effectively reach out to others. We've invited Thai leaders from Bangkok to speak. We expect 40 - 50 people to attend this camp and have budgeted about \$1500 to cover the camp costs. Please keep this camp in your prayers and if God moves you to support this event, please let us know. Thank you so much!

ENGLISH CENTER

Th English Clubs as local schools have been up and running for 3 months. In September and October the students will take tests and have a school break for a month. We will resume English classes in November. Two classes at the church have been completed and the next level will begin in November. We are spending time with members of these classes and some of them have attended our church service a couple of times. We are so glad.
