Growing in the word and reaching out to serve

We're growing up in faith as we take the next step with our church camp. Praise God that all the members of the church are going to learn God's word God's word together and will be serving each other.

Church Planting

We have changed the date for our camp from Oct. 15-17 to Oct. 8-10. Presently, we're getting everything ready for the camp. We are thrilled to

see the new generation of Christians with hearts to serve and praise God through their different gifts. Pastor Benz's Son, Chevy, has become a part of our worship team and plays bass. Other youth members are practicing so we hope to have a youth worship team soon. Please keep them in your prayers.

English Center

Praise God for His love that have touched the hearts of two students. They have become our good sisters and friends who regularly attend church. They will join us at our camp. We will continue to cultivate friendships with other students and share Jesus with them.

How can you help?

There are many ways you can help support our effort at Phang Nga Cornerstone in Bangkee. Please continue to pray for us as we evangelize and share Christ with others. Also, if God moves you to support us financially, please let us know. Thank you.

We also need help with our termite infested fence. Three years ago a team helped us build a beautiful fence. But due to termite infestation the fence is falling down and needs to be rebuilt with other material.

We've complete another room in the coffee shop, but still need to help to finish the whole project.

FINANCIAL SUPPORT Our New Account
