Praise The Lord !!

## God Is Never Late ....

Our first church family camp was successful! We all have learned God's purpose for us and were reminded of the truth that He is never late.

Praise The Lord for the camp! It was a great time for all of us to learn about trusting in His time for our lives. Many times we become so task-oriented, but through this camp we learned to live life more slowly and enjoy the blessed moments God gives us. Several youth in our church, Chevy (Pastor Benz's son), Tuk Tun and Games, have accepted Christ into their hearts. We were especially thrilled that Chevy, who grew up in a Christian home, made a personal decision to accept Christ as his Savior! We praise God that our members are so excited to know God more and desire to make Him known! Thank you so much for your prayers!

### PHANG NGA CORNERSTONE CENTER

This month we had friends of Mark from different churches in Honolulu stay in our guest house. We are so glad that the guest house ministry helps support our church. And we would like to thank you the Hawaiian Teams very much for your friendship and support.

We hope to finish more works on the coffee shop. Please let us know if you would like to help financially to support continue work on this project.

May the Lord bless you and family. You are in our hearts.
