

## NEW YEAR NEW BEGINNING!

“Praise the Lord for our 8 youth who were baptized in the Name of the Father, Son and Holy spirit”

### CHURCH PLANTING

After three months of discipleship training, 8 of our youth were ready to publicly declare themselves Christ's followers before their family and friends. The 8 who were baptist were Chevy, Tun, Game, Thong, Tuk, Naam, Pan and Joe. Thank you so much for keeping them in your prayers .

### OUTREACH TEAM

We had the YWAM DTS Sunshine Coast Team from Australia with us from Jan. 20-31 and the Kalaheo Missionary Church team from Hawaii with us from Jan.22-Feb.19. They've helped us with construction on the coffee shop and the fence. They Also assisted with English classes at schools and church.

### PHANG NGA CORNERSTONE

Our building projects have included painting the wall outside of the coffee shop, building counters and installing a ceiling. We have also completed installing the floor of the shop and restoring our property fence. Everyone has been working hard on these projects.

### THE GUESTHOUSES

This month we had Hillary and Antoinette Hettinga visiting us. We are glad that the guesthouse ministry is up and running and we are ready for friends from around the world to stay with us. Hillary is now joining the Kalaheo Missionary Church Team with the fence project.

Thank God so much for the outreach teams and friends who came to visit and help us. It's such a powerful thing and huge encouragement to see Christians around the world work along side each other. All we can say is thank you all so much for your hard work and your friendship. We are so thankful for you all.

*With love in Christ,  
Pnc Staff*
