SIDE BY SIDE ...

“And We know that God causes everything to work together for the good of those who love God and are called according to his purpose for them” Roman 8:28

Church Planting

We have been discipling the youth group and praying about a possible 2010 youth outreach to northern Thailand. We believe this will be an integral part of the training process. We have started planning fund raising projects as our projected budget for this outreach is \$5,000. Please keep us in your prayers. We will keep you posted about opportunities for your support.

English Center

On February 13th of this year, we had an English class open house where students were able to showcase their language skills through speeches, skit, songs and dances. We were able to develop relationship with students' parents

and they were able to experience the warm and loving environment of our classes. The Kalaheo Missionary Church team joined us in this effort by helping with refreshments and hula performances. We had the opportunity to share God's love through students' songs and hula. Praise God for all things! See page 2 for pictures of this event.

Phang nga Cornerstone Center

With coffee shop about 75% finished, We are in the process looking for furniture for the shop and cook/bakeware for the kitchen. Our volunteer, Erin, is busy whipping up baked good and beverages. Please pray for us as we hope to open the coffee shop in July.
