## GOD WILL MAKE A WAY...

WE HAVE SPENT TIME SURVEYING DIFFERENT LOCATIONS FOR OUR OUTREACH NEXT YEAR. PRAISE GOD FOR HIS PROVISION.

Doi Chaang, Chiang Rai

Mae Sai, Chiang Rai.

It was a very special time for us while we surveyed the places where we hope to minister. God has provided us with good people to work with, so we are very excited to take the youth group to serve and encourage others doing ministry in northern Thailand. Please continue to keep us in your prayers as we prepare for our trip. Specifically, please keep the youth in prayer that their faith in the Lord and their desire to serve His people will increase. We are still in need of financial support, so please let us know if you're interested in helping in this way. Thank you so much.

### PHANG NGA CHURCH WEBSITE

is now up and running and is ready to share church information and updates. Please visit our website; we would love to hear your feedback. We have also posted presentations of the various ministries we run here. We hope you enjoy the website and give us some comments.
