## THE SOLDIERS OF CHRIST...

**Sa was dee from Thailand! We hope you all are doing great. Thank you so much for taking the time to read our newsletter and for keeping us in your prayers.**

### PNC YOUTH CAMP

Thank God for this camp. The staff and youth had so much fun together. The youth learned about Christian history, worship, giving their testimony, spiritual gifts and the Holy Spirit. While at camp, the youth experienced God's love and healing and many of them confessed their sins and cried for God's help in their lives. A boy named Shin accepted Christ. He is a friend of Bell and Boy and will be joining our outreach next year. Praise the Lord!

### A CUP OF JOY CAFE

The coffee shop is almost 100% finished. We have furniture, kitchenware, air conditioners and a cooling display case. We are now working on a sign for the shop. We finally decided to name our coffee shop: **A Cup of Joy Cafe**. We're trying to do our best with whatever work is left. Please keep us and everything here in your prayers.

*With love and many thanks,
