Coming up : KMC Outreach Team from Kauai

JUNE 2009

## TESTIFY TO LOVE!

It rained a lot in this month, but the rain couldn't stop us from our outreach. It was such a wonderful time serving the Lord together...

### HILO TEAM

From June 6-21, we had Hilo Missionary Church Team from Hawaii partner with us in our ministries of teaching English and Evangelizing at

the parks, playground and prison. We also had a camp retreat together with the team and Phang Nga Church youth and staff. Thank you Hilo team so much for your love for Thai people and all the work you've done for us.

### OUR GUESTS

Mike and Christi Steven came to visit us. They both were in the first missionary group that established Phang Nga Church. Having them with us has encouraged us so much to keep doing our best in all our work here. Christi also helped us to teach the classes at church. It's also great for Olivia and Janice to see her again because Christi taught them English and dancing when they were nine years old. Thank so much to The Stevens!

We also would like to thank Maile (Jantanne or Mhui) for helping us a lot with the outreach Team. We are so glad that she could come back and spend time to serve God with us again. Thank you so much for your friendship and the serving heart and for all of your help.

### ENGLISH TEACHING MINISTRY

This semester we have 21 students studying English with us in four different classes. We also have good news, recently two of our students, Sandra (Nan) and Shannon (Ice) have accepted Christ. Praise the Lord! Thank you so much for your prayers for this ministry.

This semester we could not continue the English Club at Sa Three Phang Nga School because of the internal problems with the school schedule. After we did an evaluation with the students, most of them said they would like to continue the class. We believe that God has a plan for us to continue this ministry someday. You can see the presentation of this ministry today on our website.

### **Pray Request**

For those who know Pim, please keep her in your prayers as she's now in Australia studying her master degree in Engineering.

*Thank you again for your love and prayers.  
May God bless you and family!*

*With love in Christ,*

*Phang Nga Church*
