PHANG NGA CHURCH FAMILY CAMP 2009

The camp was filled with great, unexpected moments. We knew that the Holy Spirit was moving among us for He has touched our hearts and filled us with His love and grace ...

The Journey with God

Living life walking with God everyday isn't easy and we aren't under the illusion that nothing can shake us. The truth is that we will always have problems. What we have learned is how to respond to those situations and what sort of attitude we should have when we face these problems. We thank God that He has shown us that the way out is not to run away, but to trust in Him, look at the problem with His eyes and be humble so that we can work on the parts of our lives that need to be changed. The more we let Him in, the more we can live with His peace and joy

The youth group has been growing up. Not only do they know God, but are experiencing His love. During the camp, some of them

confessed their sins. They know that they have been forgiven and can now forgive others. Praise God!

We all have learned so much about life. While there are many things that make us happy and feel lucky, the real blessing comes from understanding and knowing the truth that God is with us in all situations. We always have access to His Joy so we know we are safe and He will lead us through our hard times.

We feel so warm in His embrace. Thank God for drawing us close to Him again.

*Thank you for keeping us
in your prayers,*
