IN CHRIST'S FAMILY

One of the lessons we taught our youth is about pizza. We all are the different toppings. We have cheese that hold us together and all the time we've experienced things together is like the sauce that simmers until it tastes good...

The Phang Nga Church Family continues to grow up together in Christ. The challenges we have faced together have helped us forge

stronger relationships. Praise the Lord for leading and blessing us so much.

OUR GUESTS

Randy and Karen Kawate from Hilo, Hawaii came to visit us. Karen helped us in our English language ministry and taught Jaime hula. They both have encouraged us so much in our ministry here. Thank you both for always keeping us in your hearts and prayers

THE YOUTH

This month we taught the youth puppetry skits. We will perform this Christmas skits as we minister to Thai children. We also learned to use parachutes for games and activities. Thank you Mr. Peter Wilkerson, Mr. Michael Simpson and Pastor Wasan Sriwattananupong very much for the opportunity to learn these skills.

THE OUTREACH

Please continue to pray for our youth outreach to northern Thailand next year. We are still in need of financial support for the trip. So far we have fixed the van's air conditioner and will continue to fix other parts too. If you would like to support us, please let us know. Thank you so much

A CUP OF JOY CAFE

Praise God for this ministry that brings us the joy of the Lord. Our baked goods and drinks are now well known to customers in our area. We celebrated Erin Koshi's birthday this month. We love this ministry and will continue doing our best.

Coming up ...

This Christmas we are all going to do the evangelize at different places. We would like to take our adult members and the youth to experiences this time of sharing and serving. Erin Koshi will return to his family in Hawaii for Christmas. Please keep all of us in your prayers too. May God bless you during the holiday season with family and friends.

Merry Christmas and have a Happy New Year,
