

PHANG NGA CHURCH YOUTH

MISSION TRIP TO NORTHERN THAILAND 2010

WELL DONE!

April may be known for its showers and God definitely rained down His blessings during this month. The Phang Nga Church Youth Outreach to Northern Thailand was an awesome time spent with God, the youth and other Christians around the country.

The youth amazed all of us with their attitude and overall enthusiasm throughout the trip. There was no drama or issues among them and instead they were filled with Christ's love and earnestly seeking Him.

The team performed various routines and skits at churches, in the hill tribe villages, a hospital, marketplaces, for HIV-infected kids, street kids at the Thailand-Myanmar border and at a care home. Many of these outreach performances were adapted from teams that visited us over the past year including Hilo Missionary, Kalaheo Missionary and Kelowna Christian School from Canada.

We were also happy to have Uncle Sonny Taba join us for a couple weeks to perform dental extractions in the hill tribes. He had his work cut out

for him, but he definitely blessed the villagers with his services because they don't have easy access to dental care.

This outreach was an amazing opportunity for the youth to see how other people lived and helped them appreciate what they have at home. It also gave them the opportunity to learn more about different ministry opportunities available in their own country. We were thrilled to see the youth open their hearts to complete strangers and work to form relationships with everyone they met. They all took advantage of every chance they had to serve the Lord and soak in each experience. We are very excited to see Christ move in their life and look forward to seeing the youth grow in their faith!

God is so good! Everything went according to His schedule and things could not have gone smoother. We thank Him for watching over us and for allowing us the opportunity to serve Him each and every day. Thank you to everyone for your prayers and support. We could not have done this outreach without you!
